EDUCATION

Bachelor of Science in Computer Science

Wolkite University

2023 – Present

- Relevant Courses:
 - Computer Networks and DBM
 - Web Development

LANGUAGE

English

Amharic

Afan Oromo

REFERENCE

Academic & Personal Projects

2024 – Present

- Developed responsive web applications using HTML, CSS, JavaScript, and Python.
- Worked with Git & GitHub for collaboration and version control.
- Built database-driven systems and frontend applications.

ABOUT ME

Passionate Computer Science student with strong interest in software development, networking, artificial intelligence, and web technologies. Skilled in programming, problem solving, and building academic projects. Continuously improving technical skills through practical development, GitHub collaboration, and real-world learning experiences.

EXPERIENCE

- Academic & Personal Projects
- 2023 – Present
- Developed responsive web applications using HTML, CSS, JavaScript, and Python.
- Worked with Git & GitHub for collaboration and version control.
- Built database-driven systems and frontend applications.
- Improved debugging and problem-solving skills through project development.

PROJECTS

- Online Voting System
- Student Result Management System
- Portfolio Website
- Personal portfolio showcasing projects
- Built using HTML, CSS, and JavaScript, and PHP
- Built using Java, and C++

SKILL

Networking Fundamentals

ARTIFICIAL INTELLIGENCE BASICS

Database Management

Web Programming
